

Lisa Goodman-Helfand was diagnosed, at the age of 10, with the rare autoimmune disease, scleroderma. Lisa has suffered from disfigurement and serious health issues for over 35 years.

Join us to hear her story as she describes how she has approached colossal setbacks with tenacity, humor, and perspective.

**You are cordially invited to our 2019-2020 Culminating,
Installation, and Valued Volunteer Brunch
Our Valued Volunteers are
Darlene Padnos and Diana Lewis
Sunday, May 3, 2020 at 10:30 AM**

Congregation Beth Shalom | 3433 Walters Avenue | Northbrook

Our guest speaker is Lisa Goodman-Helfand, author of *Does This Hospital Gown Come with Sequins?* Lisa explores the complex roles that faith, family, and sisterhood have played in her life story.
