

INSTRUCTIONS FOR USING ZOOM

Zoom is a free technology for calling and videoconferencing

How you can use Zoom

- You can use Zoom on your computer, iPhone, Android phone, or Mac.
- You can use it on your desktop or download an app on your computer or phone.
- You can listen in by landline phone as well.

Download App

- If you are invited to a meeting/class via an URL link, it will automatically prompt you to download the app when you click on the URL link. You do not need to pre-install the app. If you want to install the app manually, please visit [Download Center](#).

On your phone:

- On your iPhone or Android - download the app from the App Store/Google Play - search for Zoom Cloud Meeting and download the app.

Once you are on the Zoom class/conference/meeting - with or without video, on your phone, tablet or computer:

Video and Microphone

- If you have a camera on your computer you can participate by video.
- If you want to talk you must have a microphone or call in on the phone.

Zoom Link

Each class/program has a unique number called a meeting ID that will be required to join Zoom meeting.

Most will also have a unique Password.

If you are joining via telephone, you will need the teleconferencing number provided in the Zoom invite.

Join a meeting using one of these methods:

- Click **Join a Meeting** if you want to join without signing in.

Meeting ID 679 946 460

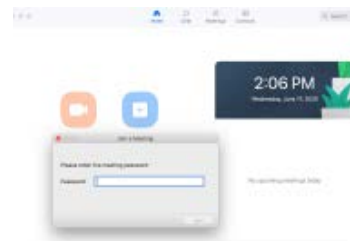

Meeting Password 831375

This is what you need to connect to the class.

You have 2 choices to log in at this point ... see below

CHOICE 1 to connect to ZOOM:

Use the MEETING ID and MEETING PASSWORD from the email to get in using your

ZOOM app or at ZOOM.US/Join Meeting

After you put in the password and hit join you will be entered into the class.

CHOICE 2 to connect to ZOOM:

Copy and paste the link address into your browser (google, safari, Firefox, etc) search bar and hit return and you should be directed to the class
