Join the Congregation Beth Shalom and Congregation Beth Israel Ner Tamid Men's Clubs for a morning of highly interactive, informative, and entertaining banter prior to the 201st meeting in this long and storied pro football rivalry on Sunday Night Football. To help foster discussion, excitement, and a little lighthearted trash talking, we have retained two sports radio experts representing Illinois and Wisconsin. Come prepared to ask your burning questions about both the team you love and the team you love to hate!

Mitch Nelles is a member of Congregation Beth Israel Ner Tamid in Glendale, WI and will be representing the Packers. He co-hosted the Homer and Thunder afternoon drive show on ESPN Milwaukee for nine years.

David Schuster will be representing the Bears. He has worked for WSCR Radio and ESPN Radio 1000 in Chicago as a field reporter for all Chicago sports teams, update anchor, talk show host, and pre- and post-game host for the Bulls and the White Sox.

For our Chicago attendees, a carryout bagel/lox or continental breakfast can be ordered in advance using the new CBS Men's Club Events site: <https://cbsmensclubevents.square.site>

We hope you'll join us for some pregame football fun!
