Please join us as the CBS Men's Club, including many past Kavod honorees and Presidents, leads the entire Shabbat service in what will be a deeply meaningful and spiritually enriching community experience.

Lawrence has been involved in the Jewish community his entire life. While at Roosevelt University, he worked at Congregation Beth Shalom as Youth Advisor and then Youth Director. He became involved in Men's Club soon after he married Amy in 2006 and they became members of CBS. He immediately began helping in the kitchen cooking breakfasts, became involved in our Lox Box Program, and was then Recording Secretary, VP House-Special Events, VP Ways and Means, and is now VP Programming.

Lawrence and Amy currently reside in Buffalo Grove, with daughter Meital (9) and son Noah (4).
