Steven is a long time member of CBS, joining with his parents in 1969. He holds the distinction and honor of being Beth Shalom's first USY President. Steven has been an active participant in the Men's Club serving in a variety of roles on the Executive Board, and is currently still active on the Men's Club board and the Beth Shalom Board of Directors. One of Steven's proudest contributions to Beth Shalom is the twice a year blood drive that he organizes. Outside of CBS, Steven is an accomplished architect and he is an Ambassador for Northbrook's Chamber of Commerce, a board member for the YMCA, and the Chairman of Northbrook's Plan Commission. While his contributions to CBS and the Northbrook community are certainly significant, nothing is more important to Steven than his family. He and wife Debra have been married for 40 years and they both could not be prouder of their 25 year old daughter Grace.

Skylar is a lifelong member of CBS. Following her Bat Mitzvah, she became involved in USY as an 8th grader in 2021 and took on the role of Freshman Representative for the 2021-2022 year, later becoming 2022-2023 Communications Vice President, and is now the current chapter President. Outside of CBS and USY, Skylar is a junior at Glenbrook South High School where she is in the skating club in addition to being a competitive ice skater. Skylar is looking forward to finishing the school year with USY lounge nights and getting ready for her senior year!
