Please join the award-winning CBS Men's Club as we welcome Marc Jacob to discuss his new book *Globetrotter: How Abe Saperstein Shook Up the World of Sports*.

The book is the captivating biography of Abe Saperstein, originator of the Harlem Globetrotters, which is called "*meticulously researched and written in an easy and entertaining style*"; by *Booklist* in a starred review and a "*deeply researched, exquisitely written new book*" by *The Chicago Tribune*. The original Harlem Globetrotters weren't from Harlem, and they didn't start out as globetrotters. The talented all-Black team, started by Jewish immigrant Abe Saperstein, was from Chicago's South Side and toured the Midwest in Saperstein's model-T. But with Saperstein's savvy and the players' skills, the Globetrotters would become a worldwide sensation.
